MVAC RECOVER/RECYCLE OR RECOVER EQUIPMENT CERTIFICATION FORM INSTRUCTIONS

Motor vehicle recover/recycle or recover only equipment must be acquired by January 1, 1992 and certified to EPA on or before January 1, 1993 under Section 609 of the Clean Air Act. To certify that you have purchased approved equipment and that the technicians using it are properly trained and certified, please complete this according to the following instructions and mail to EPA address on previous page.

- 1** *Please provide the name, address and telephone number of the establishment where the recover/recycle or recover only equipment is located.*
- 2** *Please provide the make, model number, year, and serial number(s) of the recover/recycle or recover equipment acquired for use at the above establishment.*
- 3** *The certification statement must be signed by the person who has acquired the recover/recycle or recover equipment (the person may be the owner of the establishment or another responsible officer). The person who signs is certifying that they have acquired the equipment, that each individual authorized to use the equipment is properly trained and certified, and that the information provided is true and correct.*
